Description

SOLD STC - Phase 2 Now Available - Popular Private Gated Residential Development - Close To Amenities - Property Exchange Available - No Stamp Duty - Private Parking Outside Home - Garden With Shed Included.

Step inside the Canford to experience a well designed home with style that is equally striking. A large porch entrance opens into a contemporary styled lounge. Here, comfortable sofas, feature pendant lighting, taupe painted furniture with limed oak veneer tops and a tiled feature fireplace with electric stove and a reclaimed oak mantel set the scene for the contemporary (yet cosy) design style that flows throughout.

The large kitchen / dining area provides the perfect space for entertaining with it's beautiful acrylic, aubergine and cashmere kitchen units. Practicality also plays its part here, as there's more than ample cupboard space, a full array of integrated appliances and the option of a utility room.

The dining area, is simply furnished with an extending dining table with chairs and wine unit in the same painted taupe style as seen in the lounge. Creating an air of drama that befits the style of this home, two striking pendant lights are positioned directly over the dining table.

The bedrooms continue with the same contemporary edge – simple yet striking with freestanding furniture, clean lines and beautiful touches seen in the quilted bedspreads and oversized lightshades.

The master bedroom includes a walk-in-wardrobe and en-suite and the family bathroom is conveniently positioned opposite the second bedroom. Half panelled walls to the bathroom and en-suite add a touch of luxury and illuminated mirrors over the counter-top basins finish off the look to perfection.
